Industrial Citrus Degreaser

Applications & Uses:

Tested and proven as a product developed by Citrus King and still a superior choice for all types of surfaces. Used on: painted surfaces, carpets, sinks, toilets, fiberglass, machinery, tools, grills, ceramic tiles, concrete, graffiti, dumpsters, grease traps, all metals, vinyl, painting and more.

Citrus King is a limited liability company. News for Citrus King are being discovered every day. In view of this and in response to all of the requests we receive from our customers, we have compiled the following list to highlight the major uses.

Applications & Uses	Dilutions	Directions
Shop Floors	Full Strength 1:1 10:1 30:1	Use full strength or dilute 1:1 to "Shock Clean" floor surfaces. For regular maintenance cleaning, dilute 10:1. For light maintenance cleaning, dilute 30:1. Dilute product, apply to floor surface, allow several minutes contact time, scrub floors in usual manner, and rinse clean with water.
Axles, Engines, Chassis, Auto Parts, Tools	5:1	Dilute product, apply to surface, allow several minutes contact time, and wipe or rinse clean with water.
Machinery and Equipment	5:1	Dilute product, apply to surface, allow several minutes contact time, brush, and wipe or rinse clean with water.
Metal Preparation Prior to Painting	Full Strength 1:1	Use full strength or dilute 1:1 to "Shock Clean" surface. Apply product, allow several minutes contact time, brush, and high pressure rinse clean with water. Cleaning metal surfaces in this manner results in a chemically clean surface that is in excellent condition for priming or painting.
Pressure Washing	5:1 20:1	As a pretreatment, dilute product 5:1, apply to surface, allow to soak 3 minutes, and high-pressure rinse clean. As a pressure wash, dilute product 20:1, and operate machinery according to the manufacturer's directions for use.
Tires	5:1	Dilute product, apply to tire surface, allow several minutes contact time, brush, and rinse clean with water.

Suggested Industry Applications: Applications are limited only by the imagination, listed below are just a few.

Asphalt Applications	Machine Shops	Rail Service Stations
Automotive Dealerships	Mining	Waste Management
Construction	Oil Refineries	Trucking Companies
Farming Equipment	Pulp & Paper Production	Check web-site for more
Fleet Operations		

Specifications:

Appearance: Clear, Amber Liquid
 Odor: Citrus Scented
 PH: Neutral
 Flash Point: 115 F
 % VOC Concentrate 50%
 DOT Label Combustible

General Cautions For Use:

Use this product on painted or glass surfaces in diluted form only and rinse thoroughly with water. As with all cleaning agents, keep this product out of the reach of children. As with most cleaning agents, this product should not be allowed to dry on surfaces. Dilutions are recommendations only, as you become familiar with the product's performance, dilute accordingly.

Container Sizes:

5 Gallon Pails
 55 Gallon Drums
 Tank Trucks
